

**Remarks**

By this Response, the specification has been amended to more clearly specify its claim of domestic priority under 35 USC 120, claim 1 has been cancelled and new claims 33-70 have been added. No new subject matter is introduced by this Response. Claims 33-70 are now pending in this application.

Claims 33-70 are directed to methods that have a fluid introduced into at least one collision chamber. The prior art of record fails to disclose such methods where a fluid is introduced into at least one collision chamber.

**Conclusion**

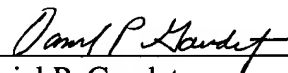

In view of the remarks set forth above, it is respectfully submitted that this application is in condition for allowance. Accordingly, Applicants respectfully request that a timely Notice of Allowance be issued in this case.

A one-month extension of time for responding to the Office Action mailed January 15, 2003 accompanies this Response. The Commissioner is hereby authorized to charge any fees or credit any over-payments to Deposit Account No. 08-0219 that may be due in connection with the filing of this response.
